## **3D premium Collection**

Larch 06-09

At the end of a long developing process, we reached a unique design that offers a real challenge to natural wood. Through a complex printing and embossing process we produced a liner that blends right into the Look & Feel of the most upscale swimming pools.

Dune

Our exclusive range of StoneFlex designs makes it possible to build or renovate a pool using a water-tight membrane with a 3D surface that looks like real stone. StoneFlex membranes are formulated with an enhanced surface coating which ensures superior stain resistance, easy cleaning, and exceptional UV resistance, as well as a dry-stone feel and non-slip grip.

StoneFlex surfaces are covered with 6 layers of protective acrylic coating and have a B slip-resistance rating.
