

RGB and White mini LED lights

MINI LED SPOTS FOR MAXIMUM LIGHT!

- Our LED lights come **in mini LED version**, in white and in colour.
- Our range of mini LED lights integrates into all pool types (liner, concrete or fibreglass) and all pool shapes to light up specific points **such as stairs, steps, fountains and pool water features**.
- **Perfectly synchronisable with all Hayward LED lights**, these mini LEDs harmonise lighting at all corners of the pool.
