

Flotide Spa cover shine

Content: 500 ml.

Usage:

To clean and shine spa covers and other vinyl surfaces. Provides a protective layer to prevent colour fading.

Manual:

Shake before use. Use product undiluted using a sponge or dry cloth. Apply in a circular motion on a dry surface. Allow to dry for 15 to 20 minutes before polishing with a dry cloth. Repeat every three months.

Safety instructions:

Please consult the MSDS sheet.
